## POPE LEO

*For children with incurable diseases*

Let us pray that children suffering from incurable diseases and their families receive the necessary medical care and support, never losing strength and hope.

Dear Parishioners,

The season of Lent is all about conversion, a change for the better. So in the season of Lent we ought to do a few things differently: what we eat, how we spend our time and money and especially how we pray. As the saying goes, *"If you change nothing, nothing changes"*.

The way in which the church prays the mass certainly changes. The vestments are purple and the sanctuary and church are less decorative. The Gloria is omitted and the Gospel acclamation is changed to not include the forbidden "A" word. It's suggested in the missal that the congregation might recite the more simple Apostles Creed instead of the usual Nicene Creed after the Gospel and sermon.

As we enter more deeply into the season the church would traditionally veil any statues and remove the holy water from the fonts at the church entrance. Though it might not be a factor for most contemporary couples planning their big day, the church still discourages weddings during Lent and other sacraments like baptism and confirmation, except where necessary or if the soul is in danger of death. This time of minimalism and leanness only helps us to appreciate and realise how great is the glory of Christ's victory, and how blessed we are to receive all that is given to us because of God's saving love for us.

One more way our parish will change the way it prays on Sundays during Lent is with the replacement of an opening hymn with the entrance antiphon of the mass. An antiphon is a short verse taken from the scriptures – often the psalms – and reflects the season, prayers and readings of the mass of that day. They are typically chanted and are more simple and subtle than your usual church hymn. It's for this reason that I and the liturgy group thought it fitting, just for this season. You might recall that we did something similar last year. By not letting people know however, a few approached me last time asking what was going on and why we're not singing! Hopefully this helps.

If you don't particularly like them or their style, that's okay. You could offer it up as a Lenten penance. And then imagine at how happy you will be at Easter when all of us will be singing our hearts out!

In Christ,

Fr Joel.

## World Day of Prayer

The *World Day of Prayer* is an annual international Christian observance when people around the world unite in prayer and action. Each year, the service focuses on a different country, highlighting its experiences, concerns, and faith stories. In 2026, the focus country is Nigeria. A special collection will be taken up during the service to support the women of Nigeria. This year's local service will be held at **Torquay Uniting Church**, 27 Anderson Street, Torquay, on **Friday 6th March 2026 at 1.00 pm**. All are warmly invited to attend.

In Paragraph 60 of the Final Document from the Synod it states, "By virtue of Baptism, women and men have equal dignity as members of the People of God.....There is no reason or impediment that should prevent women from carrying out leadership roles in the church: what comes from the Holy Spirit cannot be stopped." Garratt Publishing are offering us another formation opportunity with a webinar on Thursday, March 5<sup>th</sup> at 7.00p.m. **WOMEN IN THE CHURCH**.
